

## Time to register your dancer and book your tickets for the Alton Towers dance performance

Dear parents

Our date for the Alton Towers dance performance has now gone live on the chance2dance website so we need you to register your dancer and book your tickets now.

Hopefully you will have already booked your accommodation and we've written out the steps for you to follow to book in your dancer and those watching the show.

The steps for booking are as follows:

- 1) please go to the website "chance2.dance"
- 2) You will see 3 white circles on the home page, please click on the one that says **dancer registration**.
- 3) Please select **yes** to the question 'are you performing in a theme park show?'
- 4) Next, it will ask you to select an Alton Towers showing. Please use the drop down menu to select our date of **Sunday 24th June 2018**.
- 5) Then press the instruction to **book Alton Towers**
- 6) You will be given a selection of ticket options to choose from, depending upon whether you would prefer to go into the theme park or the water park during the day, this will include your performers ticket for your dancer or your spectator ticket for the show if you are watching. Please read through these and select what you need depending upon how many people will be watching the show. **Your dancer needs a performers standard ticket unless they have sibling dancing in the same show or are a merlin pass holder. Any spectators need a spectators ticket with whichever park you wish to visit during the day. (Parents will need to supervise their children in the theme or water parks during the day, we will take over responsibility for them during the late afternoon when we have to be back at the Alton Towers hotel to get ready for the show).**
- 7) Once you have selected your tickets it will then request you to select a dance school from the drop down menu. Please select CJs Dance and Fitness
- 8) You will then be asked to register your performers details (this means your child who is dancing in the show).
- 9) Then you need to proceed to billing (payment).

If you need some help with navigating the website to book your tickets then please send us a message and Rachel will arrange a time to take you through the process.

Thank you  
Carol and Rachel
